The Davies Family Bordeaux Parcel

Wine has always been close to our hearts in the Davies family, since our wine merchants was established in 1875. From Fine Wine Merchants and wine wholesaling to selling wine in our pubs we are passionate about great wine

and this hand-picked selection is all about that. We have many old friends in Bordeaux, who have been making wine for generations and each year we aim to buy wines we think would be perfect for this part of our list. These well-known and highly regarded wines are impressively good value for their quality and complexity and are often significantly more expensive than you see below.

We hope you enjoy the selection below as much as we enjoyed putting it together for you.
